

# Evangelism Field for Women

According to the dictionary, to minister is to help, give aid or assist. God is still calling women today to minister. Listed below are only a few of the many ministries that are available. Seek God through Bible Study, prayer and fasting to find the harvest field in which He wants you to labor. Be available, flexible and sensitive to His voice. He may reveal a brand new field to you as you diligently seek Him.

If the State Office staff can be of any assistance, please let us know; we want to be of service to you.
