WILL YOUR CHURCH BE AN "HEIR OF THE PROMISE CHURCH?"

The following measure prevailed at the recent "Ministers Meeting." Presented by Bishop Martin, this is a "Church Growth Affirmation Program" whereby churches will be recognized in areas of growth each year. The tabulations will be based on statistics from May 1 through April 30 of each year. It is time for Delmarva-DC to "take the land!"

F. CHURCH GROWTH AFFIRMATION

Heir of the Promise Churches - Each church and pastor is urged to prayerfully establish a vision for their local congregation to become an "Heir of the Promise Church" to possess the land according to Joshua 4:10 by attaining the five/ten goal and be appropriately recognized. The five/ten goal is based on a ten percent gain in each of the following areas:

- Morning Worship Attendance
- Membership
- Tithes
- Home Missions Giving
- World Missions Giving

A church will be recognized as an "Heir of the Promise Church" that attains three of the five goals.
